## COMPETITIVE PRICING - EXCEPTIONAL SERVICE

### About Us

Advanced Plastics Inc. aims to be your go-to supplier for all your plastic resin needs. We provide quality material at an affordable price, accompanied by supreme service. API's sales team is equipped to advise new projects regardless of size. Well established relationships with manufacturers allow us to meet your goals and exceed customer expectations.

*" Not just a resin supplier... but a partner that will help you grow!"*

### Why API

API provides a wide variety of engineering plastics and commodity type resins including **POM, PC, ABS, Nylon, PBT, TPE, PP** and many more. We work with our manufacturers directly so we can offer less costly alternatives to any major competitor.

Our Portfolio
Acetal (POM)
ABS & Compounds
Films ( Nylon & PET)
GPPS / HIPS
Nylon 6 & 66
PBT Compounds
Polycarbonate & Compounds
Polyketone (POK)
PP Compounds (GF/ Talc/ Hybrid)
TPC-ET ( TPEE)
TPV ( Vulcanized)
Ultem (Repro/ Utility)

Founded in 1996, our experience and expertise has allowed us to reach markets world-wide. API utilizes strategically placed warehouses across the nation to maximize our coverage while minimizing lead times and freight costs for our customers.
